

# Notes About Ancient Greek Achievements

**Directions:** Carefully read the information on **Station Information 4.1** posted at each station and list three major achievements by the ancient Greeks in the academic field. Next, complete the task at the station and record your findings. Then, examine the image on the **Placard** and record notes about the modern application of the Greek achievement it depicts.

Academic Field	Major Achievements	Station Findings	Modern Application
Station A Architecture			
Station B Geography			

Academic Field	Major Achievements	Station Findings	Modern Application
Station C Medicine			
Station D Astronomy
